How to Use This Journal

Welcome to your journal! Here are some tips to get the most out of it:

- 1 Set aside a few minutes each day to write
- 2 Be honest and write freely without judgment
- 3 Try to write at the same time each day to build a habit
- 4 Review your entries weekly to notice patterns

-
- Record the medium and technique you used for each session
 - Note how long you spent creating and rate your satisfaction
 - Reflect on what you made — describe colors, composition, and your creative process
 - Write down what you learned and any ideas for future pieces
 - Don't judge your work — focus on the process, not perfection
